

# Three year-old children's art work

INFANT SCHOOL "MATTAZZONI" SARZANA ITALY

COMENIUS PROJECT 2011/13

# Like Picasso

We prepared a pink background.

the children “dipped” their feet.

great fun!

We compared our masterpieces with  
Picasso's doves.

To our three year olds, doves or  
pigeons and birds are the same  
....but...

They told us that their pigeons were  
different from Picasso's.....
